INTRODUCTION

- 1. ANGEL SHIPPING LIMITED (ASL)** previously known as Oceanic Shipping and Carrier's (established in April 11, 1980) was incorporated in the new name as ANGEL SHIPPING LTD. on November 09, 1993 and is engaged as International Freight Forwarder (Sea & Air), Customs Brokerage, Inland-Transportation, Handling and other related Logistic Services for cargoes from Chittagong Port, Chittagong Airport, Mongla Port, Benapole Inland Port, Inland Container Deport (Kamalapur ICD), Pangaon River Port, Hazrat Shah Jalal International Airport(Dhaka) to Home and abroad. ASL has own Custom Brokerage License for Chittagong Customs House, Chittagong Airport, Dhaka Airport Customs House, ICD Kamalapur Customs House, Pangaon Customs House, DEPZ Customs Station, Mongla Customs House & Benapole Customs House. ASL has also own Freight Forwarding License for Chittagong & Dhaka Customs House.
- 2. ASL** is a Individual member of International Federation of Freight Forwarders Association (FIATA), International Register of Forwarding Agents, Zurich, Switzerland and Bangladesh Freight Forwarder Association (BAFFA) And Federation of Bangladesh Customs Clearing and Forwarding Agents Association.
- 3. ASL** has been working for both local and overseas networks through its agents situated worldwide and provide DOOR TO DOOR SERVICES, Communications, Operational support and all other Project Logistic-Services.
- 4. ASL** also provides Technical / Logistics Services i.e. obtaining necessary Government Permission from Concerned Ministries, National Board of Revenue (NBR), Bangladesh Bank and Chief Controller of Import & Export (CCI&E) on behalf of its Clients.
- 5. ASL's** scope of activities are wide and varied such as Pick-up and delivery from Shipper's door to Consignee's door, Freight Forwarding, obtain necessary Govt. permission on behalf of Shipper / Consignee, supervise discharge of cargo from ex-vessel to port, arrange and execute customs procedures, Inland-transportation from port to its final destination. During transportation ASL takes all necessary measure for safe, smooth, secured transportation, efficient handling and storing of consignments up to its final discharge.
- 6. ASL** has sufficient warehouse facilities at Dhaka, Chittagong and Khulna.
- 7. ASL** has highly experienced and efficient technical personnel to shoulder responsibilities to ensure safe, prompt, efficient and on time services.

SCHEDULE FOR CARGO CLEARANCE FROM EX-VESSEL TO PROJECT SITE

- 1. Shipper / Consignee** will provide pre-advice to Angel Shipping Ltd. (ASL) regarding vessel name, Expected Time of Departure (ETD) from loading port with Bill of Landing.
- 2. ASL** pre-alerts the consignee about Expected Time of Arrival (ETA) of vessel and consignee provides complete set of shipping documents to ASL for completion of customs procedures / clearance and transportation.
- 3. ASL** complete all customs procedures and intimate the consignee about Customs Duties, Vat & Taxes (CDVAT) amount, Port charge, Shipping Agents charges, Freight Forwarder charges (if any) and arrange necessary Pickup, Truck, Covered Van / Low-bed, Truck Low-bed, High-bed Trailer / Railway wagon / Inland-vessel for transportation. If Consignee usually gets any Government SRO benefits, accordingly ASL prepare required draft documents like Prottiyapatra, Certificates, Undertaking, Bonds, Bank Guarantee, Shipping Indemnity and submit to respective Consignee for finalize the same for Customs submission. Other documents for on-chassis and over side delivery all relevant documents are also prepared by ASL in advance.
- 4. Payment** of CDVAT & Taxes, Port charges, Shipping Agent charges, Freight Forwarder charges (if any) to the concerned authorities.
- 5. Obtaining NOC** from Freight Forwarder and **Delivery Order** from local Shipping Agents and submit it with delivery Indent to Port Authority.
- 6. Loading** onto Pickup, Truck, Covered Van / Low-bed, Truck Low-bed, High-bed Trailer / Railway wagon / Inland-vessel for local transportation from port to project site with proper tie-up, lashing, escort for safety of the cargo, delivery to consignee's door, unpacking & Storing.
- 7. ASL** always prefers obtaining Insurance Policy covering all risk as door-to-door basis by shipper / consignee (Shipper's door to Consignee's door).
- 8. ASL** on hearing from shipper/consignee about the importable / exportable materials with size, weight and ultimate destination, we assume Customs Assessment Procedure, handling procedure for Customs Examination & delivery as well as suitable mode/way type & numbers of local transportation of the cargoes from loading/unloading points to final destination and offer most competitive rates.

SURMA ENERGY LIMITED supplied from France imported Power Plant Machinery and Equipment through Chittagong Port, Mongla Port and Dhaka Airport for implementation of a 30MW Power Plant at Chatak under Lafarge Cement Limited. Logistic Services, Customs Clearance, Transportation from Chittagong port to project site at Chatak were done by ASL.

SYLHET GAS FIELDS LIMITED an enterprises of Government of Bangladesh, Imported various Machineries & Equipment (heavy & Odd Sizes) cargoes of Gas Field. Customs clearance, Transportation, loading-unloading and Logistics Services through Chittagong port to Rashidpur Gas Field, Sylhet were done by ASL.

POWER GRID COMPANY OF BANGLADESH LIMITED imported Equipment and Tower materials through Chittagong Port for Electric Transmission Line & Sub-Station at Sirajganj, Bangladesh. Logistic Services, Customs Clearance, Transportation from port to project site were done by ASL.

Hyosung Corporation, Korea imported power sub-station machinery & equipment through Dhaka Airport for implementation of their turnkey project 230 & 132 KV Substations at Comilla (North) and Hathazari, Bangladesh under Power Grid Company of Bangladesh Limited. Logistic Services, Customs Clearance, Transportation from port to Project sites were done by ASL.

HYOSUNG CORPORATION, Korea imported Power Sub-Station Machinery along with Construction Equipment and materials through Dhaka Airport for implementing Amin Bazar, Moghbazar, Shaidabad and Bashundhara Power Sub-Station Project under DESA. Logistic Services, Customs Clearance, and Transportation from port to project site at Dhaka were done by ASL.

CHINA NATIONAL WATER RESOURCES & HYDROPOWER ENGINEERING CORP., China imported construction equipment, machineries and materials through Chittagong Port, Mongla Port and Dhaka Airport for Sayedabad Water Treatment Plant Project, under WASA. Logistic Services, Customs Clearance, Transportation to Project site at Sayedabad, Dhaka were done by ASL.

CHINA NATIONAL WATER RESOURCES & HYDROPOWER ENGINEERING CORPORATION, China imported construction equipment and materials through Chittagong Port and Dhaka Airport for implementation of Meghnaghat Power Plant Site Preparation Project. Logistic Services, Customs Clearance, Inland-Transportation were done by ASL. After completion of the Project Dredging Equipments, Pipes and other materials were again re-exported by us hiring Submersible Chartered Vessel "Developing Road" on 2004.

MAJOR BRIDGE ENGINEERING BUREAU, China imported Construction Equipment, Machinery and materials through Chittagong Port, Mongla Port and Dhaka Airport for implementation of Paksy Bridge Project under RHD. Logistic Services, Customs Clearance, Transportation from port to project site at Paksy were done by ASL.

CHINA HARBOUR ENGINEERING COMPANY, China imported construction equipment & machineries through Chittagong Port, Mongla Port for Shikarpur Duarighat Bridge Project, under RHD. Customs Clearance, Inland-Transportation at Project site at Shikarpur-Duarighat, Barisal and Logistic-service were done by ASL.

CHINA HARBOUR ENGINEERING COMPANY, China imported construction equipment & machinery through Chittagong Port, ICD, Dhaka and Dhaka Airport for Nalka-Hatikamrul-Banpora New Road Project, under RHD. Customs Clearance, Transportation to Project site Natore and Logistic-service were done by ASL.

ZAFAR BROTHERS LTD. Bangladesh, imported construction equipment & machineries through Chittagong Port for implementation of Improvement of Feeder Road Type “A” Contract No. F2 & F6 under RRMP-III, under RHD financed by World Bank. Customs Clearance, Transportation from Ctg Port to Barisal and Logistic Services were done by ASL.

CGC – RC JOINT VENTURE (CHINA GEO-ENGINEERING CORPORATION & RISING CONSTRUCTION JOINT VENTURE) Korea & Bangladesh imported Machinery, Equipment and Project materials through Chittagong Port & Dhaka Airport for implementation of Contract No-1 under Road Improvement Component of Road Network Improvement and Maintenance Project-II under RHD at Bangladesh. Logistic Services, Customs Clearance, Transportation from port to their project site were done by ASL.

WARTSILA BANGLADESH LIMITED, Finland imported Plant & Machinery for Power Plant, Textile Machinery etc. for supplying to local entrepreneurs. These Plant & Machineries were cleared from Customs and Transported from Chittagong Port and from Dhaka Airport to respective project sites were by ASL.

HOTEL SARINA LIMITED, Bangladesh imported Pre Fabricated Steel Materials, Lift, Central Air Conditioning, Carpet, Furnishers, Cookeries, Bathroom fittings, Electrical Sub-Station etc. for setting up a Three Star Hotel at Banani, Dhaka. All these Machinery and transported to Banani, Dhaka By Road and Customs Clearance, Inland Transportation were done by ASL.

HANIL CONSTRUCTION CO. LTD., Korea Construction Equipment and Machineries imported through Chittagong Port for Saidabad Water Treatment Plant Project at Dhaka. Customs Clearance, Inland Transportation and also provided Logistic supports were done by ASL.

ANGEL SHIPPING LIMITED

NISSHO IWAI CORPORATION, Japan imported OCTG Gas Field machineries and other equipment (Cashing, Tubing, Bit & Hole Opener, Well Head with Control Panel, Drill Pipes & Drill Collar, Choke Manifold & X-mass Tree etc.) through Chittagong Port and transported to Rashidpur, Sylhet for Rashidpur Gas Field, Sylhet under BOGMC. Customs Clearance, Route Survey, Transportation and Logistic-Support were done by ASL.

NISHIO IWAI CORPORATION, Japan, imported Power Plant machineries & equipment for 100 MW Haripur, Power Plan Rehabilitation Project, Narayanganj under BPDB through Chittagong & Dhaka Airport and transported to Haripur, Narayanganj. Customs Clearance, Transportation and also provided Logistic-Supports were done by ASL.

UMC BANGLADESH CORPORATION, USA Imported Geophysics Survey Equipment through Chittagong Port and Dhaka Airport for exploration of Oil & Gas in Block-22, under Production Sharing Contract with BOGMC. Customs Clearance, Transportation and Logistic-Support were done by ASL.

SUNGJEE CONSTRUCTION CO. LTD., South Korea, imported construction equipment for Comilla - Chandpur Road Overlay & Improvement Project under RHD through Chittagong Port and transported to Comilla. Customs Clearance & Transportation by Road were done by ASL.

PACIFIC CONSTRUCTION CO. LTD., South Korea, imported Power Plant machineries & construction equipment for Ashuganj 300 MW Thermal Power Station Extension Project Lot-E through Chittagong, Mongla & Dhaka Airport and transported to Ashuganj, Comilla. Customs Clearance & Transportation by Road & River were done by ASL.

BONATI CONSTRUCTION CO. LTD., Italy imported construction equipment & machineries for Dinajpur - Panchagar Road Improvement Project through Mongla Port and transported to Panchagar. Customs Clearance & Transportation by Road were done by ASL..

UTOKU EXPRESS CO. LTD., Japan imported machineries & equipment for Jamuna Fertilizer Factory at Tarakhandi, Jamalpur under BCIC through Mongla Port and transported to Tarakhandi, Jamalpur by River. Customs Clearance & Transportation were done by ASL.

TAKAYOKA CORPORATION, Japan imported Greed Sub-Station machineries & equipment for Greater Dhaka Power Distribution & Sub-Station Project (Phase-II) through Chittagong, Mongla & Dhaka Airport and transported to Dhaka. Customs Clearance & Transportation were done by ASL.

COATS BNGLADESH LTD., UK imports Raw Materials for their existing industry and supply of 80 nos. of Garments Industries in Bangladesh through Chittagong Port & Dhaka Airport. Logistic Services, Customs Clearance, Transportation from port to respective industry in Bangladesh were done by ASL.

KORBAN INTERNATIONAL (H.K) LTD., South Korea imported machineries and construction equipment for East-West Interconnected Project (Overland), Tongi to Ishardhi through Ctg. & Mongla Port to Tongi & Issahardi. Customs Clearance & Transportation by Road & River were done by ASL.

BENGAL DEVELOPMENT CORPORATION LTD., NCE of Bangladesh & F. F. CRUZ & CO. of Philippines Joint venture company, imported construction equipment & materials through Ctg., Port for implementation of Dhaka Sylhet Highways Contract 1C & 2C under RRMP – III, RHD financed by world Bank. Customs Clearance & Transportation from Ctg. Port to Bhairab were done by ASL.

SAAD MUSA FABRICS LIMITED, of Bangladesh imported Capital Machineries, Equipment and raw materials through Ctg Port & Dhaka Airport for establishing a 100 % Export Oriented Textile & Spinning Mill at Hathazari, Chittagong, Bangladesh. Logistic Services, Customs Clearance, Transportation from port to factory site were done by ASL.

SAAD MUSA FABRICS LIMITED (UNIT-2), of Bangladesh imported Capital Machineries, Equipment and raw materials through Ctg. Port & Dhaka Airport for establishing a 100 % Export Oriented Home Textile Mill at Hathazari, Ctg., Bangladesh. Logistic Services, Customs Clearance, Transportation from port to factory site were done by ASL.

SAAD MUSA FABRICS LIMITED (UNIT-3), of Bangladesh imported Capital Machineries, Equipment and raw materials through Ctg. Port & Dhaka Airport for establishing a 100 % Export Oriented Garment Industry at Hathazari, Chittagong, Bangladesh. Logistic Services, Customs Clearance, Transportation from port to factory site were done by ASL.

SAAD MUSA HOME & CLOTHING LIMITED of Bangladesh imported Capital Machineries, Equipment and raw materials through Ctg Port & Dhaka Airport for establishing a 100 % export oriented Home Textile Mill at Hatazari, Chittagong, Bangladesh. Logistic Services, Customs Clearance, Transportation from port to factory site were done by ASL.

M. A. RAHMAN DYING & FINISHING LIMITED imported Capital Machineries and raw materials through Ctg., Port & Dhaka Airport for establishing 100 % Export Oriented Dying & Finishing Mill at Chittagong, Bangladesh. Logistic Services, Customs Clearance, Transportation from port to factory site were done by ASL.

EVEREST RUGS PRODUCTIONS LIMITED., a 100% Turkish owned company established a Rugs & Carpet Manufacturing unit at Mymensingh for 100% Export. We are working as their Clearing & Forwarding Agent including Transportation of all Importable and Exportable consignments.

International Turkish Hope School of Bangladesh imported Pre-Fabricated Steel Buildings School Equipment and Furniture through Chittagong Port for establishing School at Uttara, Dhaka, Bangladesh. Logistic Services, Customs Clearance, Transportation from Ctg. port to School site were done by ASL.

GAVANCE LEATHER (BD) LTD., Korea Imported machineries & raw materials through Chittagong & ICD Kamalapur, Dhaka for their 100% Export oriented Leather Goods Manufacturing industries at Uttara, Dhaka. Customs Clearance, Freight Forwarding, Transportation & Logistic supports were done by ASL.

BORYOUNG (BD) LTD., Korea Imported Machineries & Raw Materials through ICD Kamalapur, Dhaka for their 100% Export Oriented Leather Goods & Modern Steel Furnishers Industries at Uttara, Dhaka. Customs Clearance, Transportation, Freight Forwarding & also Logistic-Supports were done by ASL.

INTERNATIONAL ANGEL ASSOCIATION, Japan imported & exported various type of traditional and non-traditional cargoes through Chittagong & Dhaka Airport. Customs Clearance, Freight Forwarding, Documentation, Packing. Transportation and Logistic-Supports were done by ASL.

ITO TRADING CO. LTD., Japan imported Computerized Sweater Knitting Machineries and raw materials through ICD Kamalapur, Dhaka to Bangla Motor, Dhaka. Customs Clearance, Transportation including Logistic-Supports were done by ASL.

JUNG WOO INTERNATIONAL LTD., Korea imported machineries & raw materials through Ctg. Port, ICD, Kamalapur for their 100% Export Oriented Leather Goods Industries, at Gazipur. Customs Clearance Freight Forwarding, Transportation, and Logistic-Supports were done by ASL.

SHYMS FASHIONS LTD., Korea imported machineries & raw materials through Chittagong Port, ICD, Kamalapur, Dhaka for their 100% Export Oriented Industries at Dhaka. Customs Clearance, Freight Forwarding, Transportation and Logistic Support s were done by ASL.

EFE Textile Limited, Turkey imported Capital Machineries, Equipment and raw materials through Chittagong Port for establishing a 100% Export Oriented Garments Industry at Saver, Dhaka, Bangladesh. Logistic Services, Customs Clearance, Transportation from port to site were done by ASL.

KUEHNE & NAGEL LTD., Germany Carried various types of machineries & goods through Chittagong Port, Dhaka Airport, ICD Kamalapur, Dhaka, Benapole & Mongla Sea port for their clients. Logistic Services, Customs Clearance, Transportation were done by ASL.
